

## **Mission Statement of Bay View Performing Arts**

Adopted August 24, 2001

**“The Mission of the Bay View Festival of Performing Arts is to accomplish the cultural, educational, religious, and recreational goals of the Bay View Association through a diversified program of offerings in music, dance, and theatre.**

**Concerts and performances of high artistic quality and wholesome content will serve as a source of entertainment and enrichment for the Bay View community and provide a cultural resource for surrounding communities.**

**This multigenerational and multi-level program of educational and performance opportunities are delivered through classes in dance, music, theatre, and open auditions for productions.**

**Within the context of Christian values, Performing Arts expresses an openness to artistic expression that respects the individuality and work of the artist in conjunction with a sensitivity to the Bay View audience”.**
